The couple wishing to be married through the Sacrament of Matrimony in this parish of the Diocese of Altagracia must go to their parish of residence to begin their preparation at least 6 months or more in advance. The hotel is not responsible for the preparation of the future spouses; it only carries out the celebration.

The Parish will handle the legal procedures for the official local marriage.

If necessary, legalization will be done through the Parish. The hotel will ensure that the Civil Marriage Certificate is delivered to the couple.

The celebration will take place on our Terrace. It will never be held on or near the beach, or in a location unsuitable for the celebration of a Sacrament. This is a prohibition of the church.

Please inquire with the wedding department at Occidental Punta Cana for all the necessary documentation to fulfill for the celebration of a canonical marriage in the Dominican Republic. In order to confirm the date and time of the celebration, all required documentation must be sent in its original form directly to the priest at least 2 months in advance. The priest will verify the legality of the submitted documents, which will be returned to the couple after the celebration.

Requirements for Civil Weddings:
